EVERYONE IS WELCOME AT KINDERGARTEN

Kindergarten is a place where everyone can belong. Everyone has a right to feel safe, secure and respected.

WHAT IS KINDERGARTEN

City of Casey runs 'Funded Kindergarten', which is free. Children can come to kindergarten between 5 and 15 hours per week in three-year-old and 15 hours per week in four-year-old kindergarten programs.

Some children can attend Early Start Kindergarten which gives eligible children 15 hours of free kindergarten a week for 2 years before starting school.

LEARNING THROUGH PLAY

Kindergarten is a chance to make new friends, to play, to explore, to learn and to grow.

Learning happens inside and outside. Both the indoor and outdoor environment gives unlimited opportunities for discovery and exploration.

OUR EDUCATORS

Kindergarten programs are run by university trained Early Childhood Teachers with support from qualified educational assistants.

Educators and families work together to set learning goals for children at kindergarten.

STRONG CONNECTIONS

Our educators work in partnership with families, and our community.

We value opportunities to come together, listen and strengthen the partnership between home and kindergarten.

CULTURAL SAFETY

All children, families, and community members have a right to feel safe and secure in our kindergartens.

We celebrate the diversity of our communities and show respect for the different beliefs, values, identities and cultures that make our community.
